

# ASIAN-ARAB CHAMBER OF COMMERCE

Cultivating Economic Relations

# About Us

Asian-Arab Chamber of Commerce provides a dynamic link for the promotion of commercial and economic relationship between Asia and the Arab World. A booming platform for Asian Businessmen, who are closely related to the Arab business and trade activities, the Chamber constantly strives to spot specific areas where a symbiotic relationship can be developed to ensure the unobstructed flow of trade, investments, joint ventures and technology.

In the past few years, Asia has contributed towards the economic development of the Arab World, by providing human resources, escalating trade and making major strides in construction and project exports. The Chamber is wholly committed to the cause of expanding the boundaries of interaction and increasing Asian-Arab camaraderie, goodwill and business relations. Renowned industrialists and businessmen from the public and private sectors share a close association with the Chamber. The head-quarters of the Asian-Arab Chamber of Commerce is situated in Dubai, UAE.

## Message from the Chair

Mr. S Krishna Kumar, IAS (Retd.)  
Chairman of the AACC (Former MOS for  
Defence and Petroleum, Govt. of India)

With great pride we present to you the Asian-Arab Chamber of Commerce. We encourage you to refer to our organisation as your primary source for business opportunities with Asian and Arab countries. The Asian-Arab Chamber of Commerce offers its members a wide range of services, benefits and programs all designed with one goal in mind - to build a stronger, healthier community and retaining a strong and diverse business base.

I am honoured to serve as the Chairman of the AACC, an organization that I have always regarded as the most effective advocate for the business community, not only in our country but in the Asian and Arab region as well. We have weathered some challenging times over the past few years, but gradually things are beginning to look bright and positive.

As a retired bureaucrat of the country, I have served the Govt. of India in the capacity of a Minister of Defence, Agriculture, Petroleum and Renewable Energy Resources, and assure you of a greater service with my vast experience and expertise.
